

# **Changes to ASP Solution Center**

**CAPPS Financials and HR/Payroll**

**User Group Meeting**

**June 2018**

# Current Changes

**What will be changing?** The current field for Assigned To will be changed to Primary Analyst and the current field for FM Analyst will be changed to Secondary Analyst.

**How does this impact my agency?** These changes should not impact the way your agency interacts with ASP Solution Center.

**Will the report be changing?** Yes. The Assigned To report heading will be changed to Primary Analyst and the FM Analyst report heading will be changed to Secondary Analyst.

**When will these changes take place?** **Monday, July 2, 2018**

# ASP Solution Center

## What will the new changes look like?

**Display Support Request 30**
